

Castlemead

Value:

£1,327,620

Client:

Consumers Association

Location:

Home Counties

Description

This project was for the upgrade and alternation works to the Consumers Association's Regional Headquarters in Hertford, including a new reception, lift and service tower, together with the conversion of a warehouse facility into a contact centre. Works entailed cladding over the existing structure together with new suspended ceilings and finishes throughout, with subsequent upgrades to the service installations. The G.F.A. was approximately 1500m².
