

City College Brighton and Hove

Value:

£8,200,000

Client:

City College Brighton and Hove

Location:

South/South West

Description:

City College Brighton and Hove underwent an extensive facelift and refurbishment programme to provide a consolidated campus as part of the Colleges Campus 21 initiative.

Alterations and extensions comprise new teaching facilities including a new Library Resource Centre plus a new student eating area, new Training Restaurant renamed 'The Gallery', and a new entrance together with significant internal re-modelling.

All works were phased to ensure minimum disruption to the day to day activities of the college.
