

Great Hall, Lincoln's Inn

Value:

£4,250,000

Client:

The Honourable Society of Lincoln's Inn

Location:

London/South East

Description:

The Great Hall, a Grade 2 listed building housing Lincoln's Inn's administrative headquarters, underwent significant refurbishment of support areas to provide additional space, new catering/kitchen facilities and rationalised circulation areas. The project was extremely complex with crucial completion dates and with parts of the building remaining in occupation throughout the works.

RLF have worked with The Honourable Society of Lincoln's Inn on a number of their listed buildings.

RLF Role:

Quantity Surveyor

Other Project Consultants:

Architect: Acanthus Clews

Services Engineer: Giffords

Structural Engineer: Cameron Taylor Bedford

Contractor:

Mansell
