

Indoor Cricket School

Value:

£850,000

Client:

Sussex County Cricket Club

Location:

South/South West

Description:

RLF were involved in providing Sussex County Cricket Club with a new indoor cricket school that boasts the most up-to-date facilities in the country.

The new 5-lane state-of-the-art Indoor Cricket School comprises specialist surfaces, independent lanes with interchangeable nets, substantial run-ups, tension netting ideal for indoor cricket matches, bowling machines and a comfortable viewing balcony overlooking the school. In addition to this, new changing and social facilities enable the building to serve as the team base for all first and second class matches.

RLF Role:

Quantity Surveyor

Project Manager/Employer's Agent

Planning Supervisors

Other Project Consultants:

Architect: Turner Associates and Miller Bourne Partnership

Structural Engineer: Gyoury Self Partnership

Contractor:
