

Industrial Unit

Value:

£3,500,000

Client:

Regent Square Estates

Location:

London/South East

Description

The project for Regent Square Estates consisted of the construction of a new industrial unit in Basildon. Tenant Hunt Graphics retained the lease to carry out its fit-out work as a foam board manufacturing facility. The Basildon development was featured by the Commission for New Towns (CNT) as a case study model for prospective companies wishing to utilise the design and build route.

RLF Role:

Quantity Surveyor
Employer's Agent
Planning Supervisor

Contractor:

AMEC Design
