

Lordship Lane & Scotts Road

Value:

£3,700,000

Client:

Asra Housing Association

Location:

London/South East

Description

RLF was instrumental in overseeing the completion of two new housing developments for Asra Housing Association in London worth £3,700,000. The Distinctive Lordship Lane (Tottenham) and Scotts Road (Southall) developments contain 47 flats and houses including disabled and special needs accommodation.

Both new build projects were procured through interview and managed on an open book partnering basis.

RLF Role:

Quantity Surveyor

Employer's Agent

Planning Supervisor

Other Project Consultants:

Architect: DVM (Lordship lane) + DSA (Scotts Road)

Structural Engineer: Alan McEwan Associates (Scotts Road)

Contractor:

VCR (Lordship Lane) + SDC (Scotts Road)
